PROGRAM FAQs

Question: I completed my first course, where is my next course?

Answer: Please go into the “Available Courses” Tab on your MedCertify Dashboard.

Question: I completed all my coursework, what's next?

Answer: Notify your academic coach and they will direct you to the next steps whether it be finishing potential missing chapters, an additional section, or preparing for course completion and certification.

Question: Is there a timeline for each course and chapter?

Answer: We encourage students to follow the course syllabus to ensure they can complete their program prior to their end date. However, students can follow a self-paced timeline as long as they complete by their end date.

Question: What happens if I don't finish my course by my end date?

Answer: Please contact your academic coach. While we do everything we can to support our students, we cannot guarantee the ability to complete if you go past your end date.

Question: Are Live Mentoring Sessions Mandatory?

Answer: Please refer to your Welcome Letter, it will list which sessions are mandatory.

Question: My login isn't working, what do I do?

Answer: Contact your academic coach for a password reset.

Question: Do I get a certificate when I finish my program?

Answer: Yes! Once you've satisfied the requirements of your coursework you will be presented with a Certificate of Completion and an official transcript from MedCertify.

Question: How long does it take to get my Certificate of Completion?

Answer: Certificates of Completion for your training are physically mailed once the Exit Interview is returned post-program completion. The turn around time is approximately 3 weeks for delivery. A digital copy of your Certificate of Completion may be provided upon request. Transcripts cannot be provided digitally.

PROGRAM FAQs

Question: Do I get a textbook with my program?

Answer: All required program materials are available and accessible through the MedCertify Dashboard. Supplementary material available for specific programs are emailed with guides.

Question: Can I participate in Live Mentoring without my camera on?

Answer: Yes! Live Mentoring does not require students to have their camera on or speak in the microphone. Students have the ability to type their questions.

Question: Will I be certified after my MedCertify final exam?

Answer: No, once you have completed your program, MedCertify will support you with preparation for the certification exam through the certifying body.

Question: How do I get started?

Answer: Please refer to your orientation video and follow each step.

Question: Can I skip chapters and program material?

Answer: You can move forward in your program but will be required to complete all coursework prior to completion.

Question: What is Cengage?

Answer: Cengage is a digital learning platform used in some MedCertify programs for its interactive educational content and resources.
