MedCertify Student Support Handbook

***New Careers Begin Here
Where Knowledge Meets Passion***

- Build your future with programs in Healthcare, IT, and Business

WELCOME TO MEDCERTIFY

Welcome to the MedCertify Student Support Handbook! As you begin your certification journey, our commitment is to support and guide you at every step. Designed to serve as your comprehensive navigator and contact directory, this handbook encompasses a wealth of information essential for your success.

Inside, you will discover a detailed compilation of our policies, an extensive FAQ section, key contact information, and an in-depth look at program features. From academic and career advising to wellness resources and curriculum insights, every aspect of your educational journey is covered. You'll find our dedicated team of instructors, academic coaches, and student services staff ready to offer expert guidance and support, ensuring you always know who to turn to.

This handbook is crafted with your needs in mind, aiming to enhance your learning experience, provide clarity on procedures, and ensure a smooth path to certification. We encourage you to utilize this guide as a vital tool throughout your educational journey with MedCertify, as we are here to assist you in achieving your professional goals in your desired career path.

COMMUNICATION POLICY

At MedCertify, we are committed to upholding an exceptional communication channel with all our students. This policy outlines our practices and expectations to ensure that every interaction contributes positively to your educational experience.

Recording and Privacy

Please be aware that all communications with MedCertify, including emails, support tickets, and phone calls, are saved and recorded for reference. **All calls may be monitored or recorded for quality and training purposes.**

Response Times

Our team is dedicated to providing timely and efficient support for your inquiries and concerns.

- **Weekday Responses:** We aim to follow up on all student inquiries within 48 hours on weekdays. Whether you reach out via email, text message, or call, you can expect a prompt response that aims to resolve your questions or concerns.
- **Support Tickets:** If you submit a support ticket through our system, you will receive a confirmation of receipt, and a member of our support team will follow up with you within 48 hours on weekdays.
- **Weekend Policy:** Please note that weekends are not included in our 48-hour response window. Inquiries received on weekends will be addressed as a priority on the following business day.

Alternative Support Channels

For urgent matters outside of office hours, including weekends, please contact us at support@medcertify.com. For all other inquiries, please reach out to your academic coach. If your academic coach is unavailable, rest assured that they will get back to you during regular office hours. Our dedicated support team will ensure any urgent inquiry is promptly directed to the appropriate department or individual for an accelerated resolution.

MEDCERTIFY SUPPORT CONTACTS

At MedCertify, your academic success and certification are our top priorities, and we're committed to providing you with comprehensive support. **Your designated academic coach is prepared to guide you through course materials, instruction, and any challenges you may face. They are your primary point of contact, dedicated to offering a personalized and engaging learning experience.**

Your journey to success is unique and we are committed to ensuring you have access to every resource. That's why, in addition to your academic coach, you have the backing of our entire educational team. Whether it's drawing on the expertise of other coaches from various departments for wraparound support or needing specialized assistance, we're all here, working together to ensure you have the resources and guidance you need.

If you find yourself in need of a one-on-one discussion for personalized guidance or to address specific concerns, feel free to reach out directly to your instructor during live mentoring support. We are also here to arrange a convenient meeting time during our live mentoring support sessions, ensuring you get the dedicated attention you deserve.

And remember, if your academic coach is away or out of office, our support team is just an email away at **support@medcertify.com**. Our commitment is to ensure that you are supported at every turn, empowering you to navigate your educational path with confidence and support.

GRADING POLICY

At MedCertify, we understand the importance of timely and constructive feedback on your assignments. Our curriculum is designed to not only test your knowledge but also to provide insights that contribute to your growth and understanding of the subject matter. As such, we are committed to a grading process that reflects our dedication to your educational success.

Assignment Grading Timeline

Many of our assignments are designed to provide automatic grading. For assignments that require manual grading, we aim to ensure your work will be thoroughly reviewed and graded **within 8 business days from the date of submission**.

Feedback and Support

Our goal is to offer feedback that encourages reflection, reinforces learning, and guides improvement. We believe in the power of constructive feedback to enhance your learning experience and prepare you for success in your certification exams and future professional endeavors.

Understanding Your Grade

Each assignment is graded according to a rubric that aligns with the learning objectives of your program. Should you have questions or require further clarification about your grade or the feedback provided, we encourage you to reach out to your instructor or academic coach. We are here to support your understanding and ensure that you feel confident in the knowledge and skills you are developing.

Commitment to Excellence

MedCertify is committed to maintaining the highest standards of academic integrity and excellence. Our grading policy is designed to be fair, transparent, and supportive of your learning journey. We strive to create an environment where feedback is seen as a valuable tool for growth and development.

By adhering to this grading policy, we aim to support your academic progress and ensure a rewarding and enriching educational experience at MedCertify.

STUDENT CODE OF CONDUCT

Academic Integrity

1. **Honesty in Coursework:** Students are expected to submit original work for all assignments, exams, and projects. Plagiarism, cheating, and any form of dishonesty are strictly prohibited.
2. **Respect for the Grading Process:** Understand that some assignments require manual grading. For these, MedCertify aims to provide thorough feedback within 8 business days from submission.

Professional Conduct

1. **Professional and Respectful Communication:** A professional demeanor and use of language that is respectful at all times in all communications with instructors, academic coaches, staff, and fellow students. This includes emails, calls, text messages, discussion forums, and live mentoring sessions. Profanity and vulgar language are not acceptable in any form of communication within the MedCertify community.

Respectful Engagement

1. **Inclusivity and Respect:** Engage respectfully with all members of the MedCertify community, valuing diversity and inclusivity. Discrimination or harassment of any kind will not be tolerated.
2. **Constructive Participation:** Contribute positively to discussions, group work, and peer interactions, providing constructive feedback and support to fellow students.

ADMINISTRATIVE WITHDRAWAL POLICY

A student may be subject to **administrative withdrawal** from the program under the following circumstances:

1. **Lack of Academic Progress:**

- Failure to meet minimum academic progress requirements, such as completing assignments, exams, or other coursework within designated timelines.

2. **Lack of Communication with the Institution:**

- Repeated failure to respond to outreach from academic coaches, instructors, or support staff within a reasonable time.
- Absence from scheduled mentoring sessions or lack of engagement with program resources.

3. **Default on Payments (Self pay):**

- Failure to adhere to the payment plan schedule, including missed or late payments.
- Students in default on their tuition payments will be administratively withdrawn from the program.

If a student is **administratively withdrawn**, they will no longer have access to coursework, program resources, or academic support. This action is final, and **no refunds** will be issued for any portion of tuition or fees.

Students wishing to re-enroll after administrative withdrawal must contact the institution for re-entry options, which may require payment of any outstanding balances and approval from program administrators.

CAREER DEVELOPMENT

Welcome to MedCertify's Career Development program, designed to propel your professional journey forward. As a vital part of our mission to support your career success, we've structured this program to ensure you're thoroughly prepared for the workforce.

- **Interactive Learning:** Dive into weekly activities and presentations that cover professionalism and best practices in the industry.
- **Resume and LinkedIn Development:** Receive expert guidance on crafting standout resumes and establishing a compelling online presence.
- **Mock Interviews:** Participate in simulated interviews to refine your interviewing skills for real-world scenarios.
- **Skill Enhancement:** Access targeted activities and resources aimed at honing your professional skills.
- **Networking Opportunities:** Learn strategies to broaden your professional network through LinkedIn and beyond.

Flexible Scheduling

Understanding the demands of your schedule, we provide flexible timing for sessions, available in both morning and evening slots. Sessions are titled "Support for Success".

Career Packet

Kickstart your journey with our comprehensive career packet, a compilation of essential tools, resources, and information curated to support your progress. We encourage you to explore this packet thoroughly to leverage the full extent of its benefits.

Opt-Out

Your academic and professional success is our top priority. In the event that you do not want to participate in our Career Development, you may be eligible for opt-out.

Opt-Out Link: [Opt-Out Form](#)

*Not applicable to all students

NAME CHANGE POLICY

MedCertify completion documents are processed and submitted under the name in which your program was approved by your funding agency.

If for any reason your name changes during the program, please complete the official name change form and provide proof of the change (e.g., marriage certificate, court order, or other legal documentation) prior to program completion. This ensures that all documentation can be processed with your updated name.

In the event that completion documents are processed and mailed without a name change form on file, a fee of **\$10 per page** will be required in advance to reissue the documents with the updated name.
